

Example for a theme package

Our theme package "Technology and Management" covers it all

- Technology and Management
- Company organization and management
- Mechanical and plant engineering
- Power engineering
- Medical technology
- Textile technology
- Material engineering

Usage costs for the example theme package

- One week: 21.63 EUR (excl. VAT)
- Four weeks: 78.13 EUR (excl. VAT)
- Six months: 431.25 EUR (excl. VAT)
- One year: 750.00 EUR (excl. VAT)

Now you can start your research, download references and save them for a flat rate in your chosen subject area during your chosen flat rate duration – as often and much as you need.

Package registration step by step:

1. "wti-frankfurt.de", "Login", "Shop/Registration"
2. Get all the necessary information regarding our offer and choose your theme package and/or single database.
3. Choose a flat rate duration – you will find an overview of your choices and prices in the shopping basket.
4. Register and choose a payment method (PayPal or invoice).
5. You will immediately receive a registration confirmation e-mail from us.
6. Set your user ID and password.

- High quality information and competitive advantage
- Time and cost saving
- Process optimizing
- Systemizing of knowledge resources

WTI theme packages – Your personal flat rate to knowledge

Looking for answers to specific questions as a single user in a temporary time-frame – Why don't you book a flat rate for one of our databases or theme packages? You can subscribe to a one week, one month or even longer flat rate. Adapt your subscription according to your needs – Subscribe a flat rate to our knowledge base for the duration of a project, for the preparation of a presentation or connected to the development of a new product.

Simply book a **package suited to your subject area** (i.e. theme package "Technik und Management [Technology and Management]") paired with a **single database** (i.e. regarding the subject field "Umwelt und Management [Environment and Management]"). You can use the theme packages as you need during the chosen time-frame. Furthermore, you can book additional packages for your flat rate or extend the flat rate as you wish.

Find out more about our theme packages and single databases at "wti-frankfurt.de" in "Theme Packages".
